6pm to 8pm Welcome reception @ Tiki Pool (Level 8 Sheraton Grand Macao Hotel)

Networking takes the helm as the TRT World Rice Conference delivers the first opportunity to interact with all of the delegates in attendance. This is a MUST ATTEND event for anyone interested in taking a first glimpse of who is there and what everyone is concerned about.

Tiki is most certainly Macao's premier pool bar for sophisticated sun-downer cocktails, and offers an excellent venue for networking from a location that peers spectacularly over the buzzing Cotai Strip.
